This camp will help your children improve their overall basketball skill level with emphasis on dribbling, shooting, passing, proper defensive techniques, agility, proper footwork, and game play. All participants will have the opportunity to win individual awards. JC's camps strive to build individual skill level, as well as personal confidence in those skills.

Camp will be taught by J. C. Benjamin and other designated coaches. JC's Basketball Academy has held many camps in the past here in Kenosha, and has a proven track record of success working with young basketball players from all over southeastern Wisconsin. JC's camps teach all levels of play, from the youngest beginners through the advanced skill levels. All skill levels are welcome and encouraged to participate. Camp shirts will be provided at the end of the week.

Each session is limited to the first 24 participants paid. Cost: \$80.00 per child. Family discount: 2 or more from same family \$70.00 per child. Smaller groups allow emphasis on more individualized teaching!

****These prices are effective if registered and paid by June 5th 2017. After June 5th, the price will be \$90.00 per child, with no family discount.**
